On the way back out of the citadel tunnel Alaina stopped to look at something.

Fiction writing is awesome.

I ve also had no choice but to take care of everyone in my life BEFORE I could think about myself.

The last time we went the fort was completely flooded and not open to the public.

Sandwiched between the two walls.

I don t like conflict.

I needed to go to two stores for specific things.

Because there s not a sunspot or anything to be seen on that wall from a distance.

She told me this one room gave her the creeps with the hand prints and someone had written help on the wall.

I ve always loved touring forts.
