But dammit I want it all to be the way I want it and screw everyone else.

That got longer when we drove out to Fort Morgan.

So we took a drive back in time.

The pictures show a white washed room with scarred walls and what looks like more modern hand graffiti on the walls but in reality there was very little light and most of what is in the picture couldn't be seen in the room itself. We lived in a house that was essentially smaller than most apartments and we had four kids.

It's not exactly dark in here, more like very shadowed.

There may not be fresh water, hunting would be good but vegetables and fruits would be a rare treat.

Mostly because I wouldn't give my brother something I'd bought for myself with the money I'd earned on my own yeah not what I was going to talk about but anyway.
