Cloaked and shrouded from human eyes and instruments.
Not because I m a female, but because I am too much like my mother who is this times worse.
By storms I mean Ivan and Katrina.
The entryway into the citadel.
It s been said.
There s an outlet mall over there that I needed to visit but I didn t want to make the day about shopping.
I say they re freaking orbs.
Alaina was the only one to weave her way in and out of all of the rooms and nooks and crannies.
Both are still open to the public.
