By storms I mean Ivan and Katrina.

It s been said.

There s an outlet mall over there that I needed to visit but I didn t want to make the day about shopping.

Yes it s rust and scars and whatnot but I still see faces looking back at me.

Alaina was the only one to weave her way in and out of all of the rooms and nooks and crannies.

Cloaked and shrouded from human eyes and instruments.

We d been renting for three years up to that point.

Not because I m a female, but because I am too much like my mother who is this times worse.

Imagine what it would have been like to be stationed there before roads and civilization.

The entryway into the citadel.
