It s not exactly dark in here, more like very shadowed.

Anyway, Fort Morgan is one of two forts guarding the mouth of Mobile Bay and played a role in history as the site of one of the last sea battles of the Civil War.

So we took a drive back in time.

But dammit I want it all to be the way I want it and screw everyone else.

Mostly because I wouldn t give my brother something I d bought for myself with the money I d earned on my own yeah not what I was going to talk about but anyway.

Why yes, moi of the bad knees made the lovely decision to climb the steep walls on the only sane staircase they had and immediately regretted that decision when the oh freakin hell don t let the kid fall fear of heights kicked in. That got longer when we drove out to Fort Morgan.

The pictures show a white washed room with scarred walls and what looks like more modern hand graffiti on the walls but in reality there was very little light and most of what is in the picture couldn t be seen in the room itself. We lived in a house that was essentially smaller than most apartments and we had four kids.

And we survived to tell the tale.
