It s been said.

There s an outlet mall over there that I needed to visit but I didn t want to make the day about shopping.

By storms I mean Ivan and Katrina.

Alaina was the only one to weave her way in and out of all of the rooms and nooks and crannies.

We d been renting for three years up to that point.

Yes it s rust and scars and whatnot but I still see faces looking back at me.

Imagine what it would have been like to be stationed there before roads and civilization.

Cloaked and shrouded from human eyes and instruments.

A good day was had by all.

Not because I m a female, but because I am too much like my mother who is this times worse.
