She told me this one room gave her the creeps with the hand prints and someone had written help on the wall.

A 950 square foot house.

On the way back out of the citadel tunnel Alaina stopped to look at something.

Fiction writing is awesome.

You re at the edge of the world with nothing around you but salt water and dense forest.

Well except the dog, who was left at home for six hours with the cats.

I ve also had no choice but to take care of everyone in my life BEFORE I could think about myself.
