Anyway, moving on, the other fort Fort Gaines is on the western side on Dauphin Island.

Alaina says the orbs are sun spots or something reflected or or or.

I d done what most women who married young or in a certain time period did, I did not build credit in my name that was not attached to my husband s name.

It has narrow treads on one handrail, on the inside.

Incidentally, there are photos of the fort in the link above to give you some historical perspective.

But I was trained to not make waves and to keep my opinions to myself and to shut my trap.

Mommy didn t have a heart attack climbing the wall.

20 miles from Gulf Shores are all historical land marks and I ve always found

I set Fane s first life as a soldier on Fort Morgan peninsula and on a fictional mythical island that if it existed would be somewhere nearby.

What the flash revealed did kind of creep me out.
