Alaina called it the room of terror.

We bought a house together, in his name.

A good day was had by all.

Imagine what it would have been like to be stationed there before roads and civilization.

I ve always loved touring forts.

Because there s not a sunspot or anything to be seen on that wall from a distance.

We d been renting for three years up to that point.

Alaina was the only one to weave her way in and out of all of the rooms and nooks and crannies.

There s an outlet mall over there that I needed to visit but I didn t want to make the day about shopping.
