Cloaked and shrouded from human eyes and instruments.  
By storms I mean Ivan and Katrina.  
It s been said.  
Not because I m a female, but because I am too much like my mother who is this times worse.  
The entryway into the citadel.  
There s an outlet mall over there that I needed to visit but I didn t want to make the day about shopping.  
Alaina was the only one to weave her way in and out of all of the rooms and nooks and crannies.  
We d been renting for three years up to that point.  
I say they re freaking orbs.
