Fiction writing is awesome.

On the way back out of the citadel tunnel Alaina stopped to look at something.

I ve also had no choice but to take care of everyone in my life BEFORE I could think about myself.

Sandwiched between the two walls.

The last time we went the fort was completely flooded and not open to the public.

I don t like conflict.

Because there s not a sunspot or anything to be seen on that wall from a distance.

I ve always loved touring forts.

I needed to go to two stores for specific things.

She told me this one room gave her the creeps with the hand prints and someone had written help on the wall.
