Mostly because I wouldn't give my brother something I'd bought for myself with the money I'd earned on my own yeah not what I was going to talk about but anyway.

Anyway, Fort Morgan is one of two forts guarding the mouth of Mobile Bay and played a role in history as the site of one of the last sea battles of the Civil War.

Why yes, moi of the bad knees made the lovely decision to climb the steep walls on the only sane staircase they had and immediately regretted that decision when the oh freakin hell don't let the kid fall fear of heights kicked in. It's not exactly dark in here, more like very shadowed.

And we survived to tell the tale.

So we took a drive back in time.

While Fort Gaines on the western side has had the town grow up around it,

But dammit I want it all to be the way I want it and screw everyone else.

We'd been married for nearly 25 years at that point and I controlled all of the finances except I couldn't call the car lender about a bill because it was in his name.

That got longer when we drove out to Fort Morgan.
