It has narrow treads on one handrail, on the inside.

Mommy didn't have a heart attack climbing the wall.

I'd done what most women who married young or in a certain time period did, I did not build credit in my name that was not attached to my husband's name.

20 miles from Gulf Shores are all historical landmarks and I've always found

Anyway, moving on, the other fort Fort Gaines is on the western side on Dauphin Island.

And he worked 60 to 70 hours a week, mostly during their customer service times.

Alaina says the orbs are sun spots or something reflected or or or.

The other walls were painted black.

The Eastern Shore is, well, the shore on the eastern side of Mobile Bay.

Incidentally, there are photos of the fort in the link above to give you some historical perspective.
