We never had credit cards because well, he wasn't the best at keeping his credit clear enough for credit cards.

Well except the dog, who was left at home for six hours with the cats.

Something about it.

You're at the edge of the world with nothing around you but salt water and dense forest.

Not one thing.

A 950 square foot house.

She told me this one room gave her the creeps with the hand prints and someone had written help on the wall.

The view from atop the citadel.
