We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Damn the Torpedoes, Full Speed Ahead you ve heard that before right? It was said by Admirial David Farragut during the Battle of Mobile Bay.

I snapped both of these pictures in quick succession, just taking long enough to zoom in for the second.

Three years ago I had no credit.

The kid and the husband descended on that lovely stairwell of nightmares you see in the first picture.

And I had my camera.

I ve noticed this about myself pretty much most of my life.

No one fell off the wall.

If you read Shift in Time you ll remember that I mentioned Fort Morgan a few times.

Fort Morgan is still very natural, the buildings on the end of the peninsula some

I could see the wall with the large scar about head height on Alaina and some of the writing on the left wall.
