I haven t been out to the eastern Fort since the storms.

I m a control freak.

Mobile is on the western shore.

What the flash revealed did kind of creep me out.

There s no lighting in these rooms.

I set Fane s first life as a soldier on Fort Morgan peninsula and on a fictional mythical island that if it existed would be somewhere nearby.

Three years ago I wanted to buy a house- a new house.

the place to be quite beautiful, and eerie in it s isolation.

Incidentally, there are photos of the fort in the link above to give you some historical perspective.
