Mommy didn't have a heart attack climbing the wall.

20 miles from Gulf Shores are all historical land marks and I've always found

It has narrow treads on one handrail, on the inside.

I'd done what most women who married young or in a certain time period did, I did not build credit in my name that was not attached to my husband's name.

And he worked 60 to 70 hours a week, mostly during their customer service times.

The other walls were painted black.

The Eastern Shore is, well, the shore on the eastern side of Mobile Bay.

Anyway, moving on, the other fort Fort Gaines is on the western side on Dauphin Island.

Alaina says the orbs are sun spots or something reflected or or or.

I'm a control freak.
