What the flash revealed did kind of creep me out.

I set Fane s first life as a soldier on Fort Morgan peninsula and on a fictional mythical island that if it existed would be somewhere nearby.

I haven t been out to the eastern Fort since the storms.

But I was trained to not make waves and to keep my opinions to myself and to shut my trap.

I m a control freak.

Incidentally, there are photos of the fort in the link above to give you some historical perspective.

Mobile is on the western shore.

There s no lighting in these rooms.

Alaina says the orbs are sun spots or something reflected or or or.

Three years ago I wanted to buy a house- a new house.
