I needed to go to two stores for specific things.

She told me this one room gave her the creeps with the hand prints and someone had written help on the wall.

I don't like conflict.

A 950 square foot house.

The last time we went the fort was completely flooded and not open to the public.

You're at the edge of the world with nothing around you but salt water and dense forest.

Well except the dog, who was left at home for six hours with the cats.

On the way back out of the citadel tunnel Alaina stopped to look at something.

Fiction writing is awesome.
