I m a control freak.

I haven t been out to the eastern Fort since the storms.

Mobile is on the western shore.

There s no lighting in these rooms.

What the flash revealed did kind of creep me out.

I set Fane s first life as a soldier on Fort Morgan peninsula and on a fictional mythical island that if it existed would be somewhere nearby.

the place to be quite beautiful, and eerie in it s isolation.

No ghosts ate us for dinner.

But I was trained to not make waves and to keep my opinions to myself and to shut my trap.
